VOLUME NUMBER 83. CAMERON, MILAM COUNTY, TEXAS, THURSDAY, JUNE 18, 1942. EIGHT PAGES TODAY NUMBER 19

CAMP HOOD MEN TO BE GUESTS

Serves In Alaska

HARRY LEE KENNON

The United States Navy offers many opportunities to young men. How best to take advantage of this offer is proven by the progress Harry Lee Kennon has made since he enlisted 2 years ago.

Kennon is now stationed in Sitka, Alaska, and has begun the study of Pharmacy and will be a druggist soon when his courses are completed. His rank is now Secoud Class. He is connected with the Naval Base Hospital and on night duty in the hospital wards.

Harry Lee is delighted with his work and appreciates the opportunities offered in the navy, for he will soon be a registered pharmacist.

He is the son of Cage Kennon who lives at Walkers Creek and is the grand son of Mrs. N. H. Butts who lives in Cameron. Kennon was formerly employed at the Herald plant. He is a graduate of Yoe High Schoo' and was a star half back three years under Coach Wood, playing the tailback position. He graduated in 1939.

He was employed by a printing firm in Houston at the time he enlisted in the Navy. Kennon was born in San Francisco. He came to Cameron when a small boy and completed his schooling here.

GERMANS NOW FREE TO ATTACK SUEZ CANAL

The British army has fallen in Libbya.

Reduced to a position at Tobruk but entirely surrounded, its equipment so badly used up, there was little hope that the important sea base could be held.

Tobruk was believed to be certain to fall to General Rommel's army and the possession of this vital base will greatly accelerate an attack on Egypt and the Suez Canal.

Only one hope lies ahead for the British and that is American air power and perhaps reinforcements rushed in before General Rommel can fully consolidate his gains.

The Germans have won a great victory in the desert war

Winston Churchill was pressed in the House of Commons Thursday for an explanation of the disaster in Libbya. The British people, believing that the North African campaign was going well, got a rude shock when it was announced the British had been badly defeated and that Tobruk where a British army held our for 8 months until relieved, has now become or will become an Axis base.

Frigthtful losses in the air and sea battle in the Mediterranean must now be admited by the British.

Only the Russians were able to stand up against the Germans.

Japanese armies were methodically taking China apart. The Chinese have said that Japan plans to attack Russia, or to seize air bases to keep them from falling into the hands of the Americans.

The "second front" pledged by Roosevelt and Churchill after consulting with Molotov, was still as indefinite as it was last year.

Regular meeting of the Rebecca Lodge was held Tuesday evening with the Noble Grand, Mrs. Lina R. Kemp acting. During the meeting the lodge voted to hold a 42 party Tuesday night June 30th; the proceeds to go toward building War Service funds. The entertainment will be held at the Odd Fellows Hall at 8:30 p. m.

SCRAP RUBBER TONNAGE WILL BE LARGE HERE

Alvin Dusek, Salvage Chairman and director of the government's scrap rubber drive, said that four representative service stations reported 25,000 pounds of rubber this morning.

The tonnage will be large.

Uncle Sam wants every citizen to search his home and premises and collect any available scrap rubber of all kinds. Tires, tubes, water bottles, rubber gloves, old raincoats, rubber shoes and boots, golf balls, and countless other items can be found in al most every home. Make a routine search of your presimes NOW and see what you can find.

Take these items to your gasoline service station. Your dealer will pay you 1c per pound for this rubber, and you will be helping to win the war. Our government requests that you do not junk items that would have to be replaced. Also please remove wood and metal from any rubber articles turned in.

On Monday, June 23rd the Boy Scouts of Cameron will conduct a house to house campaign for scrap rubber. Have your contribution ready for them. If your rubber is not called for, phone the Chamber of Commerce at 603 on Monday 23rd or Tuesday 24th. Boy Scouts will be on duty at the phone on these days.

No profit will be made on this rubber transaction. The oil industry has agreed to make available all of its personnel and facilities and will use their filling stations as collection points. The Rubber Reserve Company a subsidiary of the RFC will buy this rubber at 1c per pound. Any receipts in excess of the purchase price by the Rubber Reserve Company will be contributed to the USO, Red Cross and the Army and Navy Relief.

IRELAND GETS MEN OF INVASION ARMY MEN

Second front talk in Europe was backed up Saturday with the arrival of thousands more American soldiers landing in Ireland.

The number of men in Ireland and England as well as other strategic invasion points along the European coast, is strictly a military secret.

The announcement of a second front was scouted by many here but the administration in Washington is sticking to its story that a second front will be opened in Europe in 1942.

The signing of a mutual aid pact in London between Foreign Commissar Molotov and Winston Churchill for the British government, was hailed in London along with an announcement in Washington that President Roosevelt and Molotov had talked over and agreed upon plans for an invasion of Europe by armies of the United States and Great Britain.

The battle of Sevastapol has reached a climax with the Germans throwing everything they have into the battle and trying for a knockout of the Red Army.

American flyers are still trying to locate the Japs who landed in the Aleutian Islands off Alaska.

JULY 4TH CELEBRATION MAY BE ARRANGED HERE

A gigantic celebration July 4th is under consideration.

General Bruce, Commanding at Camp Hood, told the Committee Monday in Temple that he would arrange to have around 700 men of the Tank Destroyer group in Cameron for the July 4th celebration.

The soldiers from Camp Hood with their equipment would form the neucleus of a parade which could be a display never before seen here.

O. B. Horstmann of the American Legion, lost no time in putting the Local Post behind plans for the day.

Entertainment features, including a grand Rodeo would be provided and no doubt prominent speakers might be asked to appear on a short patriotic program.

The men from Camp Hood would encamp in the 25 acre Wilson-Ledbetter Park. With them would come tanks, some 40 ton monsters, anti-aircraft guns, airplanes and much other modern equipment.

Fighting The Japs

LIEUT. J. M. ATKINSON

Lieutenant Atkinson with the 23rd Bombardment group in the Hawaiian Islands, witnessed the attack of Japanese raiders on Pearl Harbor on December 7, 1942.

It is believed here that Lieut. Atkinson may have taken part in the now historic victory of American Aircraft over Japan off Midway.

On the day the Japs attacked Pearl Harbor, Lieut. Atkinson was on the golf links near Hickam Field and saw tents being blown into the air. He rushed to his hanger and got into the air during the second phase of the raid and helped to defend the harbor and his field against the Japs.

Recently Lieut. Atkinson had a narrow escape when his ship forced down at sea plunged many feet beneath the surface. All men aboard escaped through emergency doors and were saved.

All Cameron is paying tribute to Lieut. Atkinson for his fine record. He was born and reared here, the son of Mr. and Mrs. B. P. Atkinson now of Austin. The family left here several years ago and Lieut. Atkinson enlisted in the air corps from Austin.

He received his basic training at Hancock Field in Santa Maria, Cal. He received his basic training at Moffat Field and was commissioned at the great finishing school at Fort Stockton, Cal. His first assignment with the air corps took him to Hawaii.

After several months on reconnaisence service he was stationed at Bellows Field for several months. Since the attack by Japan he has been stationed at a number of fields in the Islands.

Miss Lillian Atkinson, niece of Lieut. Atkinson, received word that he had witnessed the eruption of Mauba Loa from the air. United States airmen bombed the volcano and forced it into eruption.

He has served his first year and has 700 hours in the air.

Senator O'Daniel to Speak Here June 20th

Senator W. Lee O'Daniel will speak in Cameron on Monday, June 20, between the hours of 12 and 1 p. m.

Senator O'Daniel is a candidate for re-election to a full 6 year term in the office. The last time he spoke in Cameron he came at the noon hour and the arrangements were made to hold the meeting in the park.

Mr. Loganbaugh, representing Mr. O'Daniel did not call on the Daily Herald but the forthcoming speech was gleaned from other sources.

The last time Senator O'Daniel spoke in Cameron some ten thousand people heard him.

National Hall Plans Picnic on July 15th

The picnic held each two years at National Hall will be staged this year on July 15th it was announced here Friday by Joe Slavik, Sr., of Marak who was in the city on business.

Mr. Slavik said the committee on arrangements would meet next week to map out plans for the picnic to be held at National Hall.

Candidate speaking will be held, both local and state and an elaborate program will be arranged with a noon plate lunch and cold drinks on the ground.

Miss Christene Kubecka of Washington, D. C., is home for a vacation. Miss Kubecka was formerly a Deputy County Clerk for a number of years and is well known in Cameron.

CHARLES C. SMITH, JR., FOR REPRESENTATIVE

Charles C. Smith, Jr., Cameron lawyer, Saturday filed as a candidate for Representative from the 64th District Milam County.

Mr. Smith announced last fall following the special election that he would be a candidate in July 1942.

His formal announcement will appear in the Herald within a short time. His announcement was regarded here as an indication that the people are not willing for legislative posts to go unchallenged and may bring about an expression of resentment against Austin, primarily the highway commission.

Representatives who come home empty handed have overdrawn their account with the people of Milam county.

Gus Evans, Jr., of Camp Wallace is visiting his parents in Cameron.

EL DUCE'S NAVY GETS 35 DIRECT BOMB HITS

American Airmen, flying their own bombers and under their own flag, took the war to the weakest member of the Axis alliance and blasted the Italian navy to bits in the central Meditteranean Tuesday, wiping out the last of El Duce's capital ships.

For the first time since the United States went to war Italy felt the terror of what is coming day by day as the Yanks roared out to battle. It was the most sensational air attack on a naval fleet since the Japs were blasted in the Coral Sea and Midway.

Thirty- five direct hits were scored by American bombers on Italian war ships. Two of Italy's capital ships were left wrecked and burning and one of two remaining heavy cruisers of El Duce's navy was sent to the bottom. Indeed the Yanks had a holiday. They bombed everything but Mussolini's chin.

So decisive was the American attack aiding a British convoy that authorities were ready to concede that American air power has changed the whole aspect of the Mediterranean war and the fight in Africa.

What was feared has now been conceded by the British. They have lost heavily in the battle which began on Sunday. As yet no statement has been made of the number of ships lost to the Italian fleet and airmen. The British are believed to have lost many men also in the fight when transports were sunk.

Fresh British troops and tanks moved into the line against General Rommel Wednesday indicating the convoy in part had gotten through to Tobruk. The British Wednesday beat off Rommel's attack and may have improved their situation.

Rotary Hears of Entertainment Plans For Camp Hood Men

Rotarians heard about entertainment plans for the men of Camp Hood here Wednesday when Lieut. McGraw, recreational director for the camp area, spoke to the members.

L. Van Perkins, Manager of the Chamber of Commerce, spoke briefly to outline what is expected of Cameron this week end when 150 of the Camp Hood men are to be guests in this city.

Lieut. McGraw told the Rotarians about his big problem, especially for the next three months while there are no entertainment facilities at the Camp.

Soldiers will be invited into Cameron homes, the best place to entertain them, though other facilities will be available. Picture shows, dances, swimming and church are all equally important to the well rounded program.

Lieut. McGraw expressed his appreciation for the co-operation he is finding in Cameron.

Woman's Wesley Bible Class of the Methodist church enjoyed a picnic at the City Park Wednesday evening at 6.30. Mrs. Lacy Wills is teacher of the class and Mrs. Pope Sapp is the president.

George Herring of Pasedina was visiting in Cameron Friday.

Was At Pearl Harbor

PFC. TOM HOBSON

Private First Class Tom Hobson is the son of Mrs. Tracy Hobson. He was born and reared in Cameron where he complted Yoe High School in 1940. In the fall of that year he stated his freshman work at the Texas College of Arts and Industries at Kingsville. He enlisted in the United States Marines on March 21, 1941.

His first eight weeks of training was completed at the Marine Base at San Diego, Calif. He was one of the four men of his Platoon to be chosen to train in Sea School. This training consisted of four weeks of intensive work in sea duty. After he finished this training he was assigned to sea duty on the USS Oklahoma. This ship patroled the waters between the States and Hawiian Islands. He was in Pearl Harbor on December 7, and was on board his ship at the time of the attacks and had to swim through the oil-soaked water to safely after his ship caught fire and sunk.

They have just completed some Marine Barracks in the Hawiian Islands and he is on guard duty at the present time. His address is: Pfc. Tom Hobson, Marine Barracks, Pearl Harbor, T. H.

Defense Council Is Against Political Gatherings This Year

Emory B. Camp, chairman of the Milam County Defense Council, has released a resolution passed Monday night, at the defense rally, declaring against political rallies this year.

John B. Henderson, chairman of the Democratic Executive Committee, has subscribed to the principle of the resolution and the people are requested to co-operate.

Whereas it has been recommended by Hon. Mark McGee, State Rationing Administrator that there be no political rallies, speakings or other political gatherings during the current year, now

THEREFORE the Milam County Defense Council now hereby resolves that it as an organization is in hearty accord with the request and suggestion of Mr. McGee and now goes on record as being opposed to the holding of such gatherings as a means of conserving badly needed rubber, gasoline and automobiles, and request the Milam County Executive Committee to refrain from organizing public speaking schedules, and also asks, the Communities to refrain from inviting candidates for political engagements.

Negroes Plan 19th June Celebration

Don't forget the great celebration of the Negroes of Cameron and Milam County, Friday, June 19th, at the park located in the north part of Cameron in W. 23rd Street. There will be speaking, plenty of refreshments and free basket dinner. Baseball games between Cameron, Temple, Rosebud and Rockdale. Come out and enjoy yourself.

Love Murphy, Chairman.
Wills Johnson, Secretary.

At a meeting of the Milam County Commissioners last week, they voted to continue the County Health Board. This unit has been doing fine work for the county, and for citizens of the county.

Joe Petty of Sharp was a Cameron visitor Tuesda..

CAMERON TO ENTERTAIN 300 SOLDIERS WEEK END

Cameron will be host Saturday and Sunday to 150 Camp Hood soldiers it was announced here Tuesday by L. Van Perkins, manager of the Chamber of Commerce.

Yesterday Mr. Perkins, Mayor Leland Green and Dan Tyson City Secretary and Treasurer, were in Temple to attend a luncheon at which time plans were laid for the entertainment of Camp Hood men at various cities in the era.

Mr. Perkins said the men will be here about 8:30 Saturday night. They will be entertained Saturday night and all day Sunday, returning to the Camp at night.

The men will pay their own expenses. Entertainments provided will be dances, theatre parties, swimming and golfing.

On Sunday morning the men will attend church as all the churces will extend a welcome. Citizens generally will be members of a city wide committee to make the boys feel at home.

Sunday afternoon a Rodeo will be given at the park by the Cameron Roping Club. Nearby will be the municipal swimming pool.

Hotels have been contacted and reservations have been made for the men. Some may stay in private homes but for the most part they will stay in hotels paying their own expenses.

J. M. Boehner of the J. C. Penney Company, said that the building formerly occupied by the Western Auto Store, has been donated by Oxsheer Smith of the Citizens National Bank, to be used for headquarters Saturday and Sunday.

Albert Young manager of the Texas Power & Light Company, has pledged power and lights for the buliding. Fans will be installed and the big building made comfortable for the soldiers.

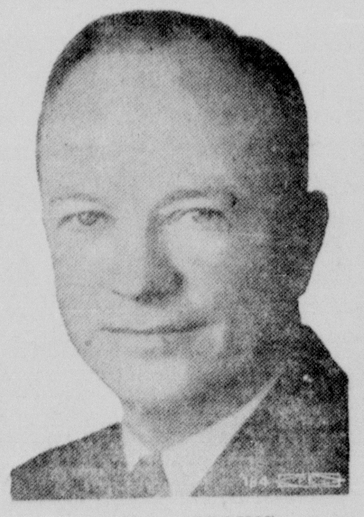
The people of the city are urged to call at the headquarters down town Saturday evening and take the men to their homes for the night.

Mr. Boehner said that tables, chairs, fans, writing materials and the like will be needed and the people are asked to lend them.

A dance Saturday night will be given at the Knights of Columbus Hall. An invitation list is being made up for girls to attend the dance and the Business and Professional Women's Club is assisting in arranging for a large attendance.

Sunday afternoon at Wilson-Ledbetter Park a rodeo will be held.

Campaigns Against Liquor and Racing



HAL H. COLLINS

Hal H. Collins of Mineral Wells has opened his campaign for the office of Governor of Texas on a platform which opposes the return of race track gambling and favors more stringent control of the sale of whisky and beer in the state. Hal H. Collins, a Mineral Wells hotel man, is touring the state in company of Senator W. Lee O'Daniel, to save rubber and gasoline.

SOLDIERS GET PAY

President Roosevelt Wednesday signed the bill authorizing increased pay for men in the armed service up to and including the rank of 2nd. Lieutenant.

The Congress has a bill to compensate dependents of men called to the armed service but has not yet reached the President.

SERIOUS INROADS ARE MADE ON ENEMY FLEET

First authentic reports on the results of the Coral Sea battle were made by the government in Washington Friday.

A total of 35 Japanese warships and transports were sunk and damaged in the Coral Sea battle which was participated in by American Army and Navy airmen and units of the Pacific Fleet.

No details were given concerning the type of ships sunk but it was believed the toll included Japanese Cruisers but no capital ships.

The Japs were attempting an invasion of Australia.

In the battle off Midway Island the official details are not known. It was believed that when all accounts are in some 25 ships of the Japanese navy will be reported sunk or badly damaged. As in the Coral Sea the Midway battle was won by the Air Corps, Army, Navy and Marine.

It was estimated in Washington that serious inroads had been made on the Japanese fleet. Whether the Japs would make any more attempts to land on United States territory or to dispute in Pacific waters with the Allied air corps, remains to be seen.

Two aircraft carriers and at least two and maybe 3 battleships may have been lost in the Midway battle. In the Coral Sea fight a Japanese Aircraft carrier was lost.

The Japanese navy now has no more aircraft carriers, said one source. This was not taken as true in Washington.

W. C. Wallace of Fort Sam Houston, visited his father, E. A. Wallace for a short while Sunday.

Rev. Layne Caldwell Now With Marines, Write to The Herald

San Diego, Calif.

The Cameron Herald:

I have wanted to write you for over a month and have been so busy I just haven't had time.

I am sure you remember me for I was pastor of the Marlow Baptist Church. Feeling it was as much my duty to have a part in fighting and winning this war, I resigned my church the last of February and joined the Marines. I like them real well.

I am a member of the Communication Unit of the Amphibian force of the Pacific Fleet.

The amphibian tanks will play a great part in running the war when the hour comes. I am happy and contented in the Marines because I feel I can in the Marines give my best and do most good, along with the other millions of young men in a just and righteous cause.

Up until a month ago I read the Cameron Herald from one of my buddies but I have been transferred and don't get to read it. I enjoy the Herald very much and wish you would send it to me. I like the people at Cameron and think Cameron is a fine little city and through the Herald I can keep up with everybody and all the local happenings.

Your friend,
Pfc. Layne Caldwell.

Mr. and Mrs. Carl Walzel of San Antonio visited in Cameron the latter part of last week. Juanita Price and Enid Walzel accompanied them back to San Antonio.

Mrs. Emma McCawley of Rockdale was a Cameron visitor Monday.

ATTEND GIRL'S AUXILIARY

The following will attend the Girl's Auxiliary at Mary Hardin-Baylor, Belton, Monday through Wednesday from this District:

Miss Margarete Martin, Mrs. Paul Massey, Gloria Halberdier, Carrie Bill Kuehl, Mary Jane Lowe, Betty Lou Angell, Fae Ola Whitley, Edna Myrle Angell, Cora Ethel Cain, Tommie Dell Jenness, Mary Neil McClellan, Geneva Wilson and Marjorie Denson of Cameron and Marjorie Marie Reese, LaNelie Bowling and Bettye Louise Green of Gause.

Mrs. Earl Moseley, Ann Sanders and Naomi Archer will go Tuesday evening to witness the coronation and return the same evening.

CARD OF THANKS

I want my friends and all those who were concerned about me during my critical illness to know that I appreciate your kindness. To those who telephoned, brought flowers and sought to help me at a time when I needed encouragement, I send my greetings. I am up now and can thank you, each one for your kindness and thoughtful consideration.

LAYNE HARWELL.

Charles (Chili) Manning is now stationed in El Paso at William Beaumont Hospital. He has been promoted from Private to Tech. Sgt.

NEXT 60 DAYS MAY SEE U. S. TROOPS FIGHTING

The "Second Front" created only in conferences, was the subject of talk in all capitals of the world Friday.

Germany's reaction was not officially known but one source said that the Nazi leaders are paying no attention to the arnouncement and are concentrating every ounce of their armed might against the Russians in the East.

The Germans have heard so much talk of a "second front" they discount any intention on the part of the allied nations to fight on the continent.

Moscow was jubilant. The only sour note was in London and Washington. They made excuses by saying it is a difficult thing and think shipping may bar the way to an armed invasion of the continent.

The man on the street thinks President Roosevelt means an armed invasion of the continent, that is an army landed on the ground and fighting well before the winter season sets in.

China was bitter over what she thinks is an empasis on Europe as against Asia.

China was dangerously near collapse, but her heroic armies were battling fiercely.

It was agreed that if the "second front" is in fact an invasion, United States men will be in Europe fighting within 60 days. If the "second front" is delayed beyond that time, it may not in fact occur this year .

Most people who have adopted a realistic attitude about this war believe that the weapon is better than the threat.

American losses in the Coral Sea battle were placed at 3 ships. The American announcement said that at least 6000 Japanese soldiers had perished at sea in the battle.

Mrs. Cecil Plate and Mrs. H. Plate of Tracy, Lynn Marie Byan of Lubbock and Mrs. Ray Burke were visiting in Waco Tuesday.

BIBLE SCHOOL

After a two weeks Bible School the First Baptist Church held commencement Friday night.

The school was very successful About 55 received certificates for perfect attendance. Each department contributed to the program which consisted of songs, Bible verses, sword drill and a playlet.

EPISCOPAL CHURCH

Sunday, June 21st, Morning Prayer and Sermon at 9 o'clock.

Leath Is Back With Grabein Chevrolet Co.

George Leath who has been with the Texas Construction Material Co., has returned to the Grabein Chevrolet Company where he will be engaged as a mechanic.

Mr. Leath is one of the best trained mechanics who ever served in the Grabein organization and the company was glad to announce that he had returned to the service line.

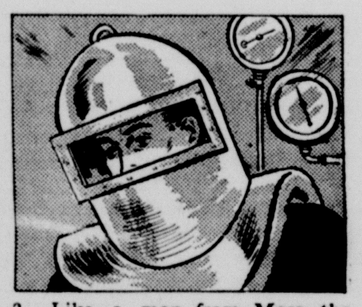
Soldiers of Production

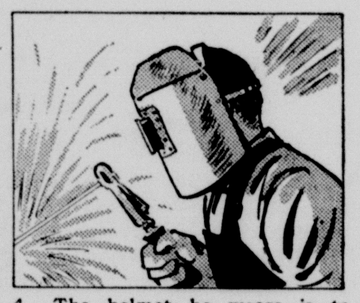
America's "soldiers of production," men and women working in the plants of American industry, have their uniforms, too. Some uniforms worn by G-E workers on vital production jobs are shown below.

1. Not a gas mask, but a special nose mask to guard his breathing, is worn by this spray painter at his job in one of the General Electric plants.



2. Like a man from Mars, the "cold room" research man is a strange sight as he tests airplane instruments for high-altitude performance in a G-E laboratory.

3. Frankenstein? No, just another G-E worker. His job is sandblasting big turbine castings for Uncle Sam's ships at one of the General Electric plants.



4. The helmet he wears is to protect him from light! The rays from a welder's arc could cause blindness if he did not wear this strange headgear.

General Electric believes that its first duty as a good citizen is to be a good soldier.

Rubber Gathering Campaign Gets Under Way Here; Nothing Official as Yet But All Are Willing to Help Win the War; Dealers Talk

Confusion and uncertainty beset the President's Rubber gathering campaign in Cameron as the nation sought everything from hugh tires, auto mats to nigger shooters to throw into the pool for the war effort.

Nine leading service stations in Cameron were contacted by the Daily Herald early Monday for verification on the campaign here. Some were going ahead, none had been officially contacted, a few will await instructions.

It was understood that major oil companies are handling the scrap rubber. There stations are to pay you 1c per pound. The rubber is to be sold to the government at $25 per ton, the profit of $5 per ton to go the USO or Red Cross.

Only radio and newspaper announcements had been received by the nine local stations contacted. Nothing official had come through.

The American people were robbed on the aluminum deal. Commercial junk dealers got your tea kettle and sold it to the government at a nice profit. You gave it free.

The rubber deal seems to be different. No profits, and if handled by the oil companies the people can be assured that the rubber they give will reach the government without the toll to parasites who usually figure things out in Washington.

"Yes, we are buying rubber. The oil companies will pick up the rubber and pay me for the amount I have. I have had no instructions from the government."—Gus Plenti.

"Yes. But how am I going to buy it. Too ofter something like this is started and we are expected to carry it out without instructions. I do not know how it is to be done."—B. F. Bonds Service Station.

"Yes. We are going to buy it and weigh it on our scales. We do not know how we will get our money back."—Markham's Service Station.

"We know nothing about it officially. We have had no instructions." — B. F. Robinson.

"We will buy the rubber at 1c per pound and the government will give us 1c in return. We are acting only as an argent for the government. We are not making a penny on the rubber we buy."—George McGehee Service

Miss Ethel Lowe of Wilkesboro, N. C., visited Mrs. E. G. Lowe a few days last week.

Station.

"We know nothing about it. We have had no instructions from the government and we cannot buy rubber without instructions." — Richter's Transfer.

"I am buying rubber at 1c per pound. I have no instructions, except what I hear over radio and read in the papers."—Jerry Schiller.

"We are buying the rubber at 1c per pound. We are buying the rubber to help the government win the war. There is no profit."—Pemberton's Service Station.

"We know nothing about selling the rubber but we will co-operate in any way."—Skeezix.

Mr. and Mrs. Paul Watson of Taylor, are the proud parents of fine little girl, who has been named Paula Anne, born at the Wedemire hospital, and weighed 6 3-4 pounds. Mother and baby are both doing nicely. Mrs. John Waston and daughter, Mrs. Donald Kilgore, visited the new grand daughter, and neice, and were accompanied by Mrs. James Watson.

E. F. Smith of Austin Would Make Excellent Appeals Court Judge.

Judge E. F. Smith of Austin, former first assistant Texas attorney general and widely-known author of works on law, is continuing his active campaign in the district for the office of Chief Justice of Third Court of Civil Appeals.

During the past week, Judge Smith contacted citizens in the western part of the third civil appeals district, and at Brady pointed out that his opponent in the race, the incumbent Judge, has reached the retirement age set by law for federal judges. Mr. Smith, who is 52 years of age, urged the voters to consider they should have a younger, more vigorous chief justice on the bench.

Smith pointed out that the Texas civil judicial council now is preparing legislation for consideration next year which makes the civil appeals courts final in most matters, and emphasized this would put still greater responsibilities upon these courts, and require not only great ability in law, but also energy and aggressive hard work.

Even at present Mr. Smith said, an active civil appeals judge will write on the average from 35 to 40 opionions a year, but that a search of the court's records shows that the present Chief Justice, his opponent, wrote but seven in 1941 originally despos ing of cases. That made the average cost of these opinions to the taxpayers more than $1,000 each, Mr. Smith pointed out. When a judge writes the average 40 opinions, the average cost is from $100 to $200 per opinion.

Attorney Smith has received testimonials from many lawyers, educators, and businessmen affirming that he has the highest reputation as a good lawyer, a dard worker, a gifted writer on legal subjects, a real democrat; that he is learned not alone in the law but in government, history, lierature and philosophy, a man who will make an excellent appellate court judge.

PICTURE IS DARK FOR ALLIED NATIONS TUES.

Allied fortunes hung by a thread on widely separated fronts Tuesday as the Axis war machine got under way.

The great battle of Sevastapol on the approaches to the rich oil fields of Russia in the east, was going against the Russians. It was virtually conceded by the Reds that the Germans have won the battle, a bloody one, which has taken a terrible toll on both sides.

The Germans were using big guns, bigger than the great Bertha's of World War No. 1 and were hammering the inferior Russian equipment to bits and the badly outnumbered Red army was gradually being thrown out.

All along the line the Germans began their offensive.

In Libbya the Germans were victorious. The British are in retreat, lost again to superior numbers and superior equipment.

In the far east the Japs were gradually winning the battle with China, though the Chinese were putting up a stubborn resistance.

Allied capitals were wondering if Russia would be able to fight on anything like equal earms with the Germans anywhere.

That second front announced by the Allies might now be a very good thing. It is to come, sto they say, in 1942. There is talk of 1943 and that may be too late. So looked the picture on Tuesday.

War's varying fortunes may turn again before night fall but it was not likely. The Axis are believed to be making their supreme bid.

The British have suffered a very disastrous defeat in the sea battle in the Mediterranean.

Off the Coast of Alaska the Japs are reported to be making progress against the American forces but no official comment was made in Washington.

3460 Lbs. Rubber is Reported Received At Local Stations

Scrap Rubber was being piled up Tuesday as service stations here reported 3460 pounds bought the first day.

Only a few of the stations were contacted but all were representative.

Alvin Dusek is in charge of the scrap rubber campaign in the county. Mr. Dusek has issued an appeal to all service stations in the county.

Without advance preparations and without official understanding the stations went ahead. Now all is authoritative.

N. J. Anderle of Ad Hall was a Cameron visitor Monday.

THEY GAVE THEIR ALL

George lies somewhere on a battlefield
In a shallow, unmarked grave.
Jack, with those other noble boys
Was sunk beneath the waves.

* * *

Fred lies in a hospital, wounded.
They say he cannot live.
God pity the man who has no boys
And still too stingy to give.

* * * *

Go stand where they have stood
Go sleep in the cold, wet pond
Go fight in the trench that runs red with blood
And you'll buy some stamps and bonds.

* * * *

They have given their all
The've nothing left, not anything to give.
They gave their lives to make your home
A safer place to live.

—B. F. WIESE,
Jones Prairie, Texas.

Gulf Company is Buying Rubber Says Coffield Tuesday

All Gulf Service Stations are buying rubber and paying 1c per pound, said E. H. Coffield, agent for the Gulf, here Tuesday.

Mr. Coffield said that those who have scrap rubber may bring it to all of the Gulf Stations and will receive 1c per pound. Tires, auto mats, hot water bottles, old tubes or rubber in any form, will be purchased.

Mr. Coffield has placed his Gulf organization behind the government's rubber gathering program.

Walter Wallace of Houston was in Cameron Monday and Tuesday visiting Mr. and Mrs. Ott Storey Mrs. Wallace came with him They are in Houston where Mr Wallace is at work. He will soon leave for Kansas where his company has government contracts to build three airport runways.

Miss Helen Anderle of Ad Hall was visiting in Cameron Monday.

DUSEK ISSUES FIRST SCRAP RUBBER LETTER

Alvin Dusek, government director of the scrap rubber campaign, has sent the following letter to all service stations in Milam county, in response to a telegram from Austin. Mr. Dusek is chairman of the Salvage Committee:

This campaign opens June 15 and continues until midnight June 30. The oil industry has agreed to make available all of its personnel and facilities and will use their filling stations as collection points.

The filling stations are authorized to pay a standard price of 1c per pound for all scrap rubber. This includes tires, tubes, rubber, hot water bottles, rubber heels and all other rubber items. Citizens are asked to remove the wood and metal from rubber items.

No profit will be made on this transaction. The Rubber Reserve Company, a subsidiary of the RFC will buy this rubber at 1c per pound. Any receipts in excess of purchase price by the Rubber Reserve Company will be contributed to the USO, Red Cross, the Army and Navy Relief.

Your wholesale gasoline dealers will relieve your station of this scrap rubber stock. Any station which may be over looked is asked to advise the Milam County Salvage Committee and disposition of your rubber stock will be arranged.

Government authorities request definite information on amount of rubber collected. We, therefore, ask that on July 1 you send information to Alvin Dusek chairman at Cameron, Texas, advising the total amount of rubber that you have collected. This is important!

On the results of this scarp rubber campaign may depend plans for national proration of gasoline. If enough rubber is found, proration plans may be cancelled.

Please give this scrap rubber campaign your fullest support and cooperation.

Local Board Will Not Allow Deferments After Induction Orders Are Mailed; Claims Must Be Early; Farm Owners Are Asked to Co-operate

Under Selective Service regulations, the time specified for reporting for induction shall be at least 10 days after the date the order is mailed, provided however, in case of death or extreme emergency to a person in the registrant's immediate family, serious illness of registrant, or other extreme emergency beyond the registrant's control, the local board may, after the Order to Report for Induction has been issued, postpone the time when such registrant shall so report for a period not to exceed 60 days from the date of postponement.

In the future, request for deferment of a registrant on the grounds of his being a necessary man will not be considered by the Board unless it is filed before the registrant has been mailed his Order to Report for Induction.

The Board is anxious, as in the past, to co-operate with farm owners and managers in keeping their necessary labor on the farm. It is suggested by the Board that farm owners and managers file with the Board at their earliest convenience, a list of their employees who are registrants under this board regardless of their present classification, certifying to those whom they consider necessary to the operation of their farm. Any information that would warrant a change in classification or circumstances should be reported at once to the Local Board for consideration.

W. O. LOONEY DIES AT BRANCHVILLE HOME

W. O. Looney, 59, widely known citizen and land owner of the Branchville community, died at the family residence there at 2 a. m. Friday June 12, 1942.

Mr. Looney had been in poor health for several years, due to a lung infection. In recent months his condition became more critical and while his condition was known to be critical, news of his death brought a shock to many here and over the county.

He was born at Branchville and lived there all his life. He was a large land owner and had engaged in farming.

During recent months the care of the farm had fallen to his sons and much of the business to Mrs. Looney.

He is survived by his widow; 3 sons, Willis Looney, John Arthur Looney of Branchville. M. R. Looney of the United States Marines, stationed in California. Two daughters survive as follows: Mrs. Edwin McNail of Hearne and Miss Beth Looney of Branchville.

Hugh P. Looney, Sr., of Bryan is a brother and one sister, Mrs. Fred L. Smith of Calvert, survives

Funeral service will be held Saturday afternoon at 4 o'clock at the Baptist church in Branchville. Rev. Stevens of Thorndale and Rev. Grayes Darby of Waco will conduct the services and the Green Funeral Home in Cameron will direct arrangements.

Interment will be in the cemetery at Calvert. The body will remain at the home in Branchville until the funeral hour.

Mrs. Tomme Wright, and son Tommie, Jr., of Graham, are here on a visit with her parents, Mr. and Mrs. W. P. McCall.

Miss Jane Gunn of Houston is spending the summer with her parents, Mr. and Mrs. Ed Gunn.

HUNGER SPREADS BLIGHT OVER GERMAN CITIES

Food riots rocked Hamburg Monday and 25 Nazis were slain, including several officers.

The riot was the most serious yet to be reported from Hitler's hungry Reich and news of the figthing over food came through well informed sources in Switzerland.

The bloodshed over bread came on the heels of the great RAF bombings of German cities, the worst at Cologne where 22,000 Germans were killed and 52,000 wounded. Hamburg has felt the fury of British revenge for the slaying of their women and children.

In Cologne after the raid which shattered the city, Nazi thieves looted food supplies and there was nothing at hand for the bombed people to eat.

Disturbing reports came out of Germany Monday, the most omnious being the food riots at Hamburg. Try as he did, Hitler was unable to budge the Russians as Sevastapol but the Russians feared what might happen to them when the Germans begin their rush. The Reds fear that the German air force is yet to be thrown into the fight against them.

A sea battle is expected off the Alaskan coast in the North Pacific. Will Japan make her supreme bid for an invasion with all her fleet? That stood out as a possibility as the United States Navy and air forces grimly awaited the blow.

The Chinese have thrown the Japs back. The battle in the Libbyan desert was still raging and may be reaching a climax.

Invasion of Australia was feared as the Japs bombed Port Moresby the third day in succession.

Ruth Griffith is spending her vacation in Houston.

E. G. Goodwin of Milano was a Cameron visitor Wednesday.

SEVEN INDICTMENTS AS GRAND JURY RECESSES

Seven bills of indictment of the grade of felony were returned by Grand Jury which recessed until Monday, August 3rd.

The following bills were returned: Raymond Poschicano, assault to murder with malice aforethought; Egerston Griggs, rape; Abner Ingram, Jr., assault to murder with malice aforethought; Billie Weber, felony theft, Arthur Fulton, burglary; F. L. Wilder, burglary. A. R. Castleberry, burglary.

METHODIST CHURCH

The calendar for the week of June 21-27, is as follows. Sunday, Church School 9.45 a. m. Preaching by the pastor at 11 a. m. and 8:30 p. m. Epworth League 7:30 p. m. Misses Dorothy Perrin, Gloria Cole and Carroll McElwrath will report on their experiences at the Assembly in session this week at Lon Morris College, Jacksonville. Monday, the four circles of the WSCS will meet at the church at 4 p. m. Wednesday, Prayer service 8:30 p. m. and choir practice at 9 p. m.

Bob L. Pool, pastor.

—Work or Fight—

Watchers Need Here Is Acute; Appeal Is Made To The People

Men and women volunteers are wanted to take their place in the Control Chamber as watchmen for air raids. Men will apply to A. W. McCullin, and the women to Mrs. Bill Burns. The men are requested to stay at night and the women are asked to stay at the post in the day time. The service will run 7 days a week and 24 hours a day.

Cigarettes Are Now Available for Men In Foreign Service

Cigarettes can now be sent to boys in the foreign service through the R. J. Reynolds Tobacco Company, it was announced Tuesday by Emmett Streetman.

Mr. Streetman has the forms for the mailings and the cigarettes cost only 65c per carton. Anyone who desires may now send cigarettes to any American soldier abroad.

Lawrence Schiller, son of Mr. and Mrs. E. O. Schiller, who has been attending State University the past year, is home on his summer vacation.

From where I sit . . .

by Joe Marsh

MAYBE I shouldn't admit it, but there *are* a few things about this writing job I really like.

F'rinstance, I like the part where . . . after all the writin' and the routine is done . . . I just set back and think about things in general. (Oh, yes, that's a part of the job, too.)

Doesn't matter much what I think about. Sometimes I concentrate on one thing. Sometimes I think of lots of things, one right after the other.

* * *

Usually, when I get to thinkin', I send down for some beer. Seems a glass of beer not only touches the spot but it also sort of helps the thinkin' mood along.

It's such a peaceful, friendly beverage. Sort of honest and human. And it tastes good.

I like to hold my glass of beer up to the light and look through it. That beautiful, golden-amber color kind of fascinates me. Reminds me of the sunny barley fields where beer gets its start.

After all . . . when you stop to think about it . . . beer is a simple, natural thing. I read somewhere that all it's made of is good, wholesome farm grains and water and a little yeast . . . with hops for flavor. Nature's process of fermentation and the age-old art of the brewer does the rest.

I guess that's why beer is so wholesome. It really *is* the beverage of moderation. You just can't imagine anybody getting into trouble drinking a few glasses of beer.

* * *

Well, here I am . . . going on and on thinking and talking about beer. Probably could go on for hours. That's the way I am when I set back and get to thinking about things.

And by the way, taking it easy and "just thinkin'" is *fun*. Try it sometime . . . quiet and comfortable like.

Joe Marsh

Negro Is Ready Draft Board Told

Winnfield, La., June 8.—(Special)—W. C. Cookston, chairman of the Winn parish selective service board, said a colored registrant this week returned to the local draft board the shortest and most complete questionnaire ever received. The returned questionnaire had only a five-word sentence and the registrant's signature written on it. The five words were: "I is reddy when you is." Mr. Cookston said the colored boy in that short sentence gave his country full and complete information covering the essential qualification for an American soldier, the willingness to serve his country when called.

Those visiting Mrs. T. L. Randolph this week are her daughter, Mrs. C. E. Porter of Calvert and her grand daughter Mary Ruth of Austin.

Mrs. C. E. Russel and children, Bobby and Loma were visiting in Cameron Wednesday.

Aged Father Cameron Woman Dies in Austin

Death claimed Frank F. Finks, 77, head of the Finks Brokerage Company, who succumbed Tuesday at 1:45 p. m. at his home 907 Shelley, Austin, to a critical illness induced by a stroke which he suffered a week ago Monday.

Funeral services were held Wednesday at 5 p. m. from the Cook Funeral Home in Austin.

Surviving are five daughters: Miss Mary Waties Finks of Cameron, Mrs. Virginia Cowing, Mrs. Charles Pickle and Mrs. Jack Douglas, Jr., all of Austin. and Mrs. Frank Benton of Fort Worth, and two sons: Will Scott Finks of Fort Worth and Jack E Finks of Austin, a major in the United States army.

Mrs. D. K. Hall of Ad Hall was a Cameron visitor Tuesday.

Mrs. Billy McSherry and son, Billy Glen were visitors in Cameron Wednesday.

MISS MARY TOMASEK DIES AT RUSK SUNDAY

Miss Mary Tomasek, 62, died in a Rusk hospital at Rusk, late Sunday.

Funeral services will be held in Cameron at 9 a. m. Tuesday at St. Monica's church with Rev. George Duda, Pastor, reading the mass. Interment will be made in the Catholic Cemetery. The body will be at the Marek-Burns Funeral Home until the funeral hour Tuesday.

Miss Tomasek is survived by six brothers as follows: Charles, Max and Anton Tomasek of Buckholts, Ignic, John and Peter Tomasek of Cameron.

C. L. Posey of Thrall was a Cameron visitor Tuesday. Mr. Posey was reared in Milam County.

Mr. and Mrs. Rufe King of Sandow were Cameron visitors Tuesday.

Oscar Sprolcs of San Antonio was a Cameron visitor Tuesday.

Pecan Expert Will Speak Here Tuesday

A pecan expert from the State Department of Agriculture will be at Hefley-Stedman Motor Company on Tuesday night, June 16th.

The lecture will be free and all those who are interested or who have pecan orchards are invited to be present.

Many phases of pecan culture will be discussed. Mr. Stedman said the course is entirely free and the public is cordially invited.

Brother of Mrs. DuBois Missing in Action in The Java Campaign

Mrs. W. DuBois of Cameron has been notified that her brother Lewis G. Jeter of Temple is missing in action in the Java campaign. He was attached to the 141st Field Artillery and received his training at Camp Bowis, Brownwood.

Mr. Jeter is the son of Mr. and Mrs. L. B. Jeter at 805 South Fifth Street in Temple.

Santa Fe and your WINTER WHEAT

● Once more the miracle of the winter wheat harvest is with us. Nature has been kind, in Santa Fe territory, and another bumper crop is indicated. Prices, too, are good.

That is a happy prospect, but it brings serious problems with it—both for you who raise the grain, and for us who move it.

You face a shortage of harvest labor, and a serious lack of storage space, at terminals and in rural bins, because of the unprecedented carry-over of old wheat. We face the job of moving a vast grain tonnage, in a short time, on top of the greatest railroad traffic load in history.

For example, in April, 1941, Santa Fe freight cars moved 108,131,891 miles. In April, 1942, that mileage had leaped to 142,823,878. A great part of that 32% jump represented war freight, that *must* move first.

Santa Fe pledges every possible help in moving 1942 wheat to points where it can be accepted and placed for use. Of you we ask prompt loading and unloading, and that no car be used for storage, even temporarily. Let's pull together and whip this war-born transportation problem, as we have so many others in the long years we've worked together.

Buy U. S. War Bonds and Stamps

AT YOUR SERVICE—Talk over your transportation problems with your Santa Fe representative. He'll be glad to help with practical suggestions.

Mrs. John Seidl of Vogelsang was a Cameron visitor Tuesday.

NEWS FROM MILANO

The Daily Vacation Bible School at the Baptist Church is progressing. The average attendance is from 65 to 70. The teachers are Rev. and Mrs. Dabney, Mrs. D. Thornell, Mrs. P. Rice, Mrs. R. Deen and Mrs. N. Renfro.

The revival at the Baptist Church is still in progress. Rev. C. W. Sanders of Cameron is leading the revival with good crowds attending regularly.

Frank Hooker left Wednesday for Lake Charles, La., to bring his brother, John Hooker, who has been seriously ill. They arrived in Milano Friday and Mr. Hooker made the trip very well.

Mrs. Ida Howes left Saturday for a visit in Bryan with her daughter.

The two youngest daughters of Mrs. Nonnie Renfro have gone to Washington, D. C., where they will do government work.

Mrs. Dan Robinson left Monday for a month visit with her daughter in Temple.

Mrs. Ida Howes went to Bryan en route to Houston for a visit with her daughter, Mrs. Vanover and Mrs. Miller.

Mr. and Mrs. Ralph Brannon of S. C., visited Mr. Brannon's parents Mr and Mrs. Charlie Brannon. They will go from here to E Paso to visit Mrs. Brannon's mother who is sick.

Mr. and Mrs. Carlos Sloan of Cameron were recent guests in the home of Mr. and Mrs. John Myric. Other visitors in their home were Miss Ruby Stevenson and Mrs. Julia Lankford of Cameron.

Milano people were happy over the fine rain that came Wednesday night of last week. I was badly needed on gardens and crops.

Mrs. Adrian McCowen of Houston spent the week end here with her parents, Mr. and Mrs. W. E. Thomas. She was accompanied home Sunday by her mother who will visit in Houston several days.

Mrs. Otis Warren of Lubbock is a guest of her parents, Mr. and Mrs. Milton Pierce. They all went to Houston to spend the week end with Hershall and Mornie Pierce.

Mrs. Flossie McBride and daughter of Harlingen are here for a few weeks visit with her parents, Mr. and Mrs. C. M. Beard. She came to Austin by plane. Mrs. Welcome Woods, her sister met her there and they came to Milano by car.

Mrs. Elizabeth Oaks of Louisiana left Saturday after a few weeks visit with Mr and Mrs. L. F. Ferguson.

Mr. and Mrs. Leslie Vanover of Houston were week end guests of her mother, Mrs. Ida Howes.

Guests in the home of Mr. and Mrs. Bob James were their children Mrs. Ruth Batson of Dallas, Mrs. Bert Baker and Mrs. Johnnie Davis and two children of Houston and their son Fred James who is stationed at Long Beach, Calif. This is the first time Fred has seen his parents in 2 years.

Wayne McCollum of Long Beach, Calif., spent the week with his parents, Mr. and Mrs. T. L. McCollum

The body of Mrs. Burl Ashley, who died at her home lose to Taylor, was brought here Saturday and laid to rest in the Milano Cemetery. Mr. and Mrs. Ashley were residents of Milano some years ago.

Floyd Jackson, son of Mr. and Mrs. Clyde Jackson came Cunday evening for a 10 days visit. He is with the army stationed in Maryland. He is in the Field Artilery.

CHRISTIAN SCIENCE SERVICES

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientists, on Sunday, June 21.

The Golden Text is: "The Lord by wisdom hath founded the earth; by understanding hath he established the heavens." (Prov. 3:19.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited. I am the Lord; and there is none else" (Isaiah 45.18.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit, God, has created all in and of Himself . . . Spirit is the only substance, the invisible and indivisible infinite God. Things spiritual and enternal are substantial. Things material and temporal are insubstantial." (Page 335.)

Mr. Lovick of Temple is relieving Conn Miller at the G. C. & S. F. this week. Mr. Miller was kicked by a calf and slightly injured.

THE COURTEOUS JAP

How courteous is the Japanese
He always says "excuce me please."

He climbs into his neighbors garden
And smiles and says "I beg your pardon."

He bows and grins a friendly grin,
And calls his hungry family in;

He grins and bows a friendly bow.
"So sorry this my garden now."

—OGDEN NASH.

My Answer . . . .

LOOK OUT JAPS

Some day it will come our turn
To tear you up from stem to stern.
We'll land upon your waiting lap
And bomb you from the bally map.
We'll stop you walking on your toes
And start you standing on your nose.
Don't you wave your traitor flag
We won't respect that sun down rag.
We're flying to you with a vim
We'll bomb you to your volcanic rim
There you can squeal and cool your brow
Never more shall you say, "This my garden now."

—ANN WIESE HARMON.

Lee Marek, Jr., of Cameron was operated on at Scott & White hospital at 2:00 o. m. Tuesday for ppendicitis.

Demo Committee To Meet Monday

John B. Henderson, Chairman of the Democratic Executive Committee, said Tuesday that the Committee will be summoned to meet in Cameron at the court house on Monday, June 22.

The business in hand will be to draw for places on the ballot to determine the order of names of candidates, to make assessments to pay for the expenses of the primary elections and to award contract for printing the ticket.

Absentee voting will begin legally on Sunday, July 5, and will close at midnight on July 21st three full days prior to the election.

The ticket will not be as long this year as in previous years.

Mr. Henderson did not file for Chairman of the Executive Committee.

The Odd Fellows Lodge met last Thursday and conferred the third degree on three applicants from Belton. The Cameron Lodge voted to purchase another $100 bond, making the largest percent for purchase of any fraternal organization in Cameron. Following the meeting, a social hour was enjoyed.

SELECTEE for the telephone army

We've been mobilizing recruits, too . . . thousands of girls . . . eager and cheerful . . . of right temperament and aptitude to become telephone operators.

Veterans of our service have trained them for today's all-important duties . . . to speed more telephone calls to more people . . . to stand guard at vital communication centers in time of war.

So . . . employed by Bell System telephone companies to meet the nation's growing war demands . . . more women than ever before courageously and loyally are helping to give you the best telephone service it's possible to get anywhere in the world.

SOUTHWESTERN BELL TELEPHONE COMPANY

"MY SAVINGS ARE GIVING *HIM* A BETTER CHANCE TO COME BACK *Alive!*"

'M just an old lady, 81 years old, but I can't do much about this war, except knit. But I have one grandson in the army, and two more who will be there soon. And I'm proud to know that my savings invested in power and light company stocks are helping to give *my* boys, and others, a better chance to come back alive! It's a comfort to me to know that the industry my savings helped build is able to supply all the power needed to give our boys the best possible protection in their fight for victory!"

This grandmother* is one of the two million citizens, people from every walk of life, who are stockholders in America's privately operated electric power companies. Their savings, combined with the funds of insurance companies, and the endowment funds of institutions of every kind, made possible the building of the electric power plants and nation-wide web of power lines that produce and transmit 7-8 of America's electric power . . . more power than is produced in Germany, Italy and Japan combined.

In Texas, the Texas Power & Light Company is "all out" for victory . . . supplying the present power needs for the war effort in the area it serves . . . and planning for the increased needs of tomorrow!

*The above quotation is from a letter from a stockholder of Texas Power & Light Company. Name will be furnished on request.

TEXAS POWER & LIGHT COMPANY

Road AHEAD!

As Spring turns into summer, it's time to get your car ready for the hot days ahead. Heat is the enemy of both your motor and tires, and this year you can't afford to take chances with either. Winter-thinned oil and lubricants can't protect your motor properly from hot-weather wear. Hot pavements can turn minor cuts and bruises into disastrous blow-outs.

Make sure your car is ready for summer by having your neighborhood Humble station give it a "Summer-conditioning" check-over—right now.

STOP!

at Your Nearest HUMBLE Station For Summer-Conditioning

For safety's sake — check with your HUMBLE service man and see how many of these services your car needs—right now!

- Drain and replace Winter-worn Oil . . .
- Replace Transmission and Differential Lubricant . . .
- Drain, Flush and Refill Radiator . . .
- Lubricate Chassis . . .
- Wash, Polish and Wax . . .

Ask FOR YOUR COPY
A practical, concise booklet of helpful information. It's at your neighborhood Humble station—free, of course.

HUMBLE OIL & REFINING CO.

Today — more than ever — a Service Institution HUMBLE

YOUR RUBBER SCRAP *will bounce a JAP!* . . .

More than 1000 Humble Service Stations and Dealers are collection centers for all kinds of scrap rubber, which the Government urgently needs. These stations will pay One Cent a pound for this rubber and the Government will buy it for $25.00 a ton. The difference of $5.00 a ton, as well as all proceeds from donated rubber, will go to the U.S.O., Red Cross and the Army and Navy Relief Funds.

HELP YOUR GOVERNMENT KEEP YOUR CAR ROLLING

PLANS ARE MADE FOR JUNE 30 REGISTRATION

Plans are under way to register approximately 220,000 young Texans between the ages of eighteen and twenty, inclusive, on June 30, General J. Watt Page, State Selective Service Director, announced today.

All men who were born on or after January 1, 1922, and on or before June 30, 1942, must register between 7 a. m., on Tuesday, June 30, General Page warned, and they must be careful to give their correct addresses where official communications will reach them without delay. He said:

'This Fifth Registration will complete the inventory of the Nation s

The Defense Council wishes that each civilian would help in every way possible.

poential manpower, although, under current policy, men under twenty are not subject to induction for combat duty.

Anyone who is unavoidably away from his home on June 30 may register as the registration place most convenient on that day, all registrants are urged to make every effort to register with their own local boards to avoid possible confusion in the future. Any person who must register away from home is warned to specify his home address so that his registration card may be forwarded promptly to his own local board.

"A registrant who has more than one place of residence may choose which one he wants recorded as his place of residence, and in making the choice he designates the local board which will always have jurisdiction over him."

Odd Fellows Lead In Bond Buying

Cameron Odd Fellows have purchased more war bonds than any other fraternal organization in the county.

An additional bond purchased Thursday night makes a total of 11 purchased thus far.

At the meeting the 2nd degree was confered on 3 delegates from the Belton lodge.

Wm. Vogelsang and family were visitors in the home of his parents.

4-CLUB ENCAMPMENT TO CONVENE HERE JUNE 25

The Milam County 4-H Girls encampment will be held June 25th and 26th in the Wilson-Ledbetter Park at Cameron.

All the girls will take part in the contest. There will be clothing, yard, butter and cheese contests. For the clothing contest the younger girls will make pot holders, cup towels and aprons, the older girls will make work clothes. The younger girls, of course, can make work clothes if they want to.

Judging of each contest will be done by girls who do not enter that contest. Ribbons will be awarded as prizes.

The girls will go swimming the first afternoon and have Folk dances that night. They will do the judging the next day and break camp at 3 o'clock Friday, June 26th.

The public is invited to see our exhibits from 9:00 until 10:30 Friday, June 26th.

Sidney Stidham of Houston is visiting her grand mother, Mrs. India Stidham.

Ernest Vogelsang and daughter of Temple were here visiting his parents.

The Spiritualist Church gave a chicken supper Wednesday night.

Mr. and Mrs. McKinn Bales of Buckholts, Rt. 1, are the proud parents of a baby girl, born June 15, at 6:55 a. m., weighing 8 1-2 pounds and her name is Sandra Ann.

Mr. and Mrs. J. D. McGoldrick are the proud parents of a baby daughter, born June 15, at 6:40 p. m. weighing 9 pounds.

Mr. and Mrs. Raymond Zajicek of Butkholts, Rt. 1, Ideal Poultry Farm, are also proud parents of a baby girl, born June 15, at 12:05 p. m., weighing 8 pounds, and was named Malene Katheryne.

Mrs. G. C. Barmore and children of Houston are here visiting her parents Mr. and Mrs. J. S. Bragg.

Prof. Marvin Butterfeld, a member of the faculty of Alabama State University, Tuscallosa, was a Cameron visitor Wednesday.

Sgt. and Mrs. William F. North of Fort Lenordwood, Mo., are here visiting her parents Mr. and Mrs. J. S. Bragg.

ANNOUNCING A SPECIAL
SUMMER IRRIGATION
WATER RATE
EFFECTIVE JUNE 12 THROUGH OCTOBER 12

We are pleased to announce a special summer irrigation water rate, which reduces the cost of water used for irrigating lawns and gardens during the hot months of summer.

This rate is available to any residential user of water service and will be in effect from June 12 until October 12. Application for same must be made in writing at our office.

If you are planning to use water extensively for irrigation purposes this summer, you will be interested in the savings offered under this special rate. Come in and let us tell you more about it.
